

Emergency Preparedness and Response to Targeted Violence (EPRTV) **(6 Hours)**

COURSE OVERVIEW:

EPRTV is a 6-hour skills and scenario-based course for civilians involved in education and security services, at places of worship, healthcare services, and other business sectors. EPRTV delivers effective response-based training and exceeds the requirements set forth in SB 553: Workplace Violence Prevention Plan. The training is conducted year-round and is grant funded by the California Office of Emergency Services (Cal-OES) and the Central California Intelligence Center (CCIC). All students will receive a tourniquet device and class lecture material.

SITE REQUIREMENTS:

1. Lecture space with A/V capabilities
2. Four (4) medium sized classrooms for skill practical and scenarios

COURSE TOPICS:

- Understanding Active Shooter behaviors and pre-threat indicators
- Online and social media influences leading to violent radicalization
- The increased incidence of nationwide “SWATTING”
 1. The Nationwide Suspicious Activity Reporting Initiative (SARS)
 2. Response to violent attacks, including Active Shooter threats
 3. Understanding the concepts of “Run, Hide, Fight”
 4. Instruction on “Stop the Bleed” and obstructive airway management

SKILLS TRAINING:

- Hemorrhage control methods including the use of tourniquet devices
- Unconscious obstructive airway management utilizing airway maneuvers and recovery position
- Run, Hide, Fight skills including:
 1. Workplace safety assessment
 2. Egress procedures
 3. Room preparation and door barricading
 4. Effective methods for combating and restraining active threats

SCENARIO TRAINING:

- Rotating team-oriented scenarios including:
 1. Single threat, single entry rotating scenarios for individual teams
 2. Multi-threat, multi-entry finale scenario for all teams combined
